FINAL CONFERENCE

Over the past two years, together with our partners, we have worked hard on the implementation of the DanubePeerChains project, through which we have jointly influenced on the capacity building of organizations that provide support to business and the labor market in the Danube region. We are glad to inform you that on the 18 and 19 October the final conference of DanubePeerChains took place in Iasi in the frame of the Sustainability Forum organized by the Department for Sustainable Development of the Romanian Government, in cooperation with the Romanian Cluster Association and the European Clusters Alliance. Additionally, on the 19th of October, DanubePeerChains project organized a hybrid session dedicated to the discussion of labour force challenges putting additional pressure on the already stressed value chains.
